

# Education Technology Staff Development Program For Grades 4 - 8 Data Collection Form

**Instructions:** The online application requires the following information for each school you will be applying to fund under the Education Technology Staff Development Program. Definitions for the terms in blue are available on the website.

- 1) School Name
- 2) Grades Served (check all appropriate) ☐ 4 ☐ 5 ☐ 6 ☐ 7 ☐ 8
- 3) Total Number of 4th-8th grade students
- 4) Total number of **up-to-date computers** in in 4th-8th grade core classrooms
- 5) Number of 4th-8th grade **core classrooms**

## Internet Access and Sufficient Technology

### A. Classrooms with Internet Access

- 6) The number of 4th - 8th grade **core classrooms** with access to the Internet through all the **up-to-date computers** included in the count to reach the ten students to one computer ratio.
- 7) The number of 4th - 8th grade **core classrooms** not included above with access to the Internet through one computer that has a projection device.
- 8) The number of 4th - 8th grade **core classrooms** not included above for which an E-rate funding commitment letter has been received that will result in the necessary connectivity by June 30, 2001

### B. Classrooms With Sufficient Number of Up-to-date Computers

The number of 4th-8th core classrooms that have at least one up-to-date computer for every 10 students in the classroom.

## Departmentalized and/or Multi-track Year-Round Schools

10) If departmentalized instruction occurs at this school, whether on a traditional calendar or multi-track year-round schedule, indicate the highest number of 4th – 8th grade students who are on-track and in core classrooms at any one time during the day. [This applies to most middle schools]

11) If this is an non-departmentalized multi-track year round school, indicate the highest number of 4th – 8th grade students who are on track at any one time during the year.
